2002 Volleyball

"Take Two"

The Spring Hill College Volleyball Team will begin its second year of play this fall. With a successful 2001 under Coach Gretchen Speed, the Ladies are looking to step it up a notch and have another successful year. The theme for the season is "Take Two," and the ladies will be going at it strong in 2002.

Head Coach Gretchen Speed

Gretchen Speed isn't a person who shies away from a challenge. So when the opportunity came along to revive the volleyball program at Spring Hill College, Gretchen couldn't pass it up.

Speed was hired February 5, 2001 as the Badgers' new head volleyball coach, and she began the revival of the sport to the Spring Hill campus. Spring Hill had volleyball previously from 1976-1979, but the sport was dropped after the '79 season.

No stranger to Mobile area volleyball, Speed was well established as a player at both the high school and collegiate levels. She prepped at Mobile's McGill-Toolen High School from 1988-1991 and was selected All-County, All-Area, and All-State as a senior. However, it was at the University of Montevallo where Speed made her mark as a collegiate standout.

As a setter, she was the first four-time NAIA All-American for the Lady Falcons from 1992-1995 under head coach Judy Green (now the head coach at Alabama). While at Montevallo, Speed set the single-season and career records for assists and the career record for games played, while leading

Montevallo to four straight NAIA National Tournament appearances.

Her mark of 7,245 career assists ranks first all-time in the NAIA, and Speed also ranks third all-time in NAIA volleyball history with 356 service aces.

Gretchen excelled both on the court and in the classroom. She was the first Montevallo athlete to be selected NAIA Scholar-Athlete for two consecutive seasons. She was also inducted into Phi Kappa Phi, Omicron Delta Kappa, Kappa Omicron Nu, and Lambda Delta honorary societies, as well as Who's Who in American Colleges and Universities. Speed was both an NAIA Southern States Conference and NCAA Division II Gulf South Conference All-Academic selection, and was the recipient of the A.O.Duer Award, the NAIA's highest individual award signifying the highest standards in excellence in athletics, leadership, and academics.

As a senior, Gretchen was selected NAIA Region Player of the Year and she won the Fred Singleton Award for the top female in the state of Alabama. She was inducted into Montevallo's Athletic Hall of Fame in May 2001.

Her coaching background has centered on the club levels. Speed coached the Sojourners Club, based out of Birmingham, while she was at Montevallo. She later coached the Colorado Springs Volleyball Club in 1997 and the Mobile-based Move Your Feet Volleyball Club from 1998-2000, where she led the team to three straight national tournament appearances. Speed was also the JV coach at McGill- Toolen for two years.
