

Division 2 ADA Academic Achievement Awards

In order for a student-athlete to receive an Academic Achievement Award, the athletics director
MUST BE a CURRENT dues playing member of the D2 ADA.

The student-athlete must:

- have a cumulative grade point average of 3.5 or higher on a 4.0 scale
- have completed a minimum of two years (four semesters) of college level work at a two-year and/or four-year institution
- have been an active member of an intercollegiate team during his/her last academic year (Given the vast experiences institutions have had this year when it comes to participation, all athletes who meet bullet point items 1 and 2 are still eligible as long as they were still an active member of the roster during this academic year)

All student-athletes meeting the above criteria are eligible for this award
